

Threefold 3-in-1 Tables

Transform your space with the versatile Threefold Ping Pong Table, a 3-in-1 centerpiece that seamlessly transitions from a regulation-size ping pong table to a conference table and mobile marker board. Featuring a secure hinge and lock system for easy folding and rolling, power options, and a dry erase surface, it's perfect for dynamic environments. Ideal for team meetings, brainstorming sessions, or recreational play, the Threefold Ping Pong Table blends fun and functionality, fostering creativity and collaboration in any setting.

FEATURES

- Durable high-pressure laminate (HPL) surface with robust 2mm PVC edge.
- Retractable net, paddles, and balls also offered.
- Sturdy powder-coated steel legs and a folding frame with four lockable casters for easy mobility.
- Folds up for storage and doubles as a presentation marker board.
- Designed to navigate narrow doorways and elevators effortlessly.
- Available in 9-foot regulation size, as well as 10-foot and 12-foot options.

Note: Marker board functionality is exclusive to tables with the White Dry Erase finish.
