

Fizz Storage

Designed for the modern era, Fizz invites you to infuse your space with vibrant hues and captivating geometric shapes, transcending the mundane to create dynamic, functional spaces. Crafted with meticulous attention to detail, Fizz Storage boasts effortless assembly without a single tool, thanks to its innovative design where inner panels coil to securely cradle your belongings. But Fizz isn't just about aesthetics—it's about practicality too. Its lightweight build ensures easy maneuverability, while swift assembly means projects come to life in record time. From homes to offices and beyond, Fizz Storage redefines the storage landscape, offering simplicity, convenience, and style in one revolutionary package.

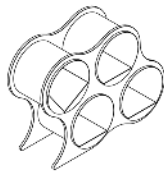

FEATURES

- Effortless setup with no tools required.
- Modern yet subtle design accommodates casual and professional environments alike.
- Durable laminate surface with tough edge banding for protection against bumps and dents.
- Adjustable shelving allows for easy customization according to your unique storage requirements.
- Wood composite panel featuring GREENGUARD certified laminate.
- Ultra-thin hi-impact flexible plastic tubes provide durability and flexibility.
- Designed by David Winston.

Fizz Clocks

Introducing Fizz Clocks, a whimsical addition to your space that merges sustainability with style. Crafted from the remnants of Fizz Storage production, these clocks are a testament to innovative design by David Winston for Peter Pepper Products. Inspired by the effervescence of soda bubbles, each clock boasts a 16" diameter and comes in a variety of vibrant colors, adding a playful touch to any room. Featuring metal hands and quartz movement, they blend functionality with flair. Embrace the charm of sustainability with Fizz Clocks, where every tick tells a tale of creativity and conservation.

FEATURES

- 16" Diameter.
- Wood composite panel featuring GREENGUARD certified laminate.
- Quartz movement. (1) AA battery required (not included).
- Finished face, raw particle board edge.
- Designed by David Winston.
