Fiberglass Products Specifications & Ordering Information

All Fiberglass products are shipped FOB Toronto, Canada.

Freight Class 100.

Fiberglass Specifications

- Products are made with multiple layers of random chopped fiberglass in conjunction with thermosetting polyester resins.
- Ideal for interior or exterior use.
- All products are molded of general purpose polyester resin, with a flame spread greater than > 75.
- Plastic properties conform to Society of Plastics Industry recommendations.
- Products are integrally surfaced with a molded gel-coat of uniform color and thickness.
- Parting lines and trimmed sections are finished to eliminate sharp edges.
